

# GROUP *Insurance*

A.S.C.Q.  Standard Life

We wish to remind you that your association (A.S.C.Q.) offers every condominium syndicated member the opportunity to join a group insurance plan which was established several years ago.

One of the highlights of this plan for the syndicate is the choice between 4 pre-established options, including short term disability and/or dental insurance. These options add flexibility to a plan that should meet the needs of every syndicate.

The advantage in joining this plan lies in its accessibility. As a matter of fact, it is very difficult for a syndicate with less than 5 employees to obtain quotations from different insurance carriers. However, you will be automatically accepted if you join your association's plan.

You must have at least two full time employees working a minimum of 20 hours per week in order to be eligible.

Our STA advisor is always available to answer your questions.

## STA Inc.

### *About STA*

Sansregret, Taillefer & Associés inc. is a group life and health insurance firm specialized in group insurance and pension plans. This corporation has been in business for more than 23 years and supports our best interests when negotiating with the insurance carriers. They will obtain the best price/benefits conditions available by the carriers for our plans.

Please do not hesitate to contact Mr. Jocelyn Mauriello at 450 471-2662 extension 232 to obtain a competitive proposal.

**It is important to mention that any employee joining a group insurance plan must waive his right to the Quebec Drug plan. The premium for this public plan is approximately \$600 yearly for an individual and \$1,200 for a family. Therefore you will not be required to pay that premium to the R.A.M.Q.**
